REQUEST FOR QUALIFICATIONS
DESIGN AND PAINTING OF ART MURAL AT AKRON-CANTON AIRPORT**

The Akron-Canton Airport (“CAK”) is inviting local artists to submit their qualifications, and sketches to design and paint a 15 foot by 8 foot high white brick interior wall. The purpose of the work is to have an adult and child size wing mural for photo opportunities. CAK is looking for an aviation themed concept. Requested are no more than 3 sketches/concepts that will ultimately be painted by the selected individual on our terminal wall. The selected individual will receive a negotiated commission. This invitation is open to those who are at least 18 years of age and reside in the greater Akron-Canton area. Please use your imagination, designs will be judged for creativity and functionality. Note that only JPG/PDF format electronic submission(s) will be accepted.

The submission(s) presented, a selection process will include the following criteria: 1) artist’s previous experience; 2) quality of artist’s work; 3) artist’s capability to meet schedules and work within budget; and 4) the artist’s ability to complete project. All submission(s) will remain the property of the artist. Material and supplies will be part of the negotiated commission. The existing wall has been freshly painted white.

The selected individual will receive free parking throughout project duration and a protected/undisturbed workspace. To be considered for the project, those interested must send their submission(s) electronically by **1PM EST, December 1, 2023**. The selected individual will be notified by **December 8, 2023** by end of business day. Requested is project completion by **January 5, 2024**.

If there is interest, please send submissions to David Regula VP of Customer Experience, at dregula@akroncantonairport.com or call (330) 499-4059, ext. 478 for questions/viewing of project wall.
