All,

This notice serves to inform you of upcoming changes to CAK's parking pass revalidation process. As of today, all newly issued and revalidated parking permits will now be given a **yellow** sticker affixed to the permit. These new stickers will have an expiration date of **July 31st, 2026**. To ensure continued security within our parking facilities, the gate access code will be updated on **August 1, 2025**, the day after the old parking pass stickers expire. We will provide the new code as new parking passes are issued. Please inform your employees who need parking passes revalidated, to come to the badging office located at 4763 Mt. Pleasant St. NW North Canton, OH 44720 to revalidate their parking pass prior to **July 31st, 2025**.

For any questions/comments/concerns, please feel free to reach out to me directly or call the Operations Office at (330)-499-0431.

I realize some of you do not need parking passes, please disregard if your company does not require a CAK issued parking pass.
